

# HOLMAN FAMILY!

## Heartfelt Thanks From Ghana

I am reminded of the words of the apostle Paul, who said, ***"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now"*** (Philippians 1:3-5)

Denise and I are filled with deep gratitude for your unwavering support in the work that we do. Your generosity and faithfulness have enabled us to share the love and message of Jesus Christ to people who have never heard it before. Since arriving at the end of January, we have seen over 100 people come to faith in Christ!

There are times when we feel discouraged, overwhelmed, and exhausted. Especially in this first season as we adjust to culture shock and a brand new world. But knowing we have a team of supporters who are cheering us on and praying for us gives us the strength to persevere.

Your gifts allow us to travel to remote places, provide basic necessities to those in need, and spread the Gospel to communities that have yet

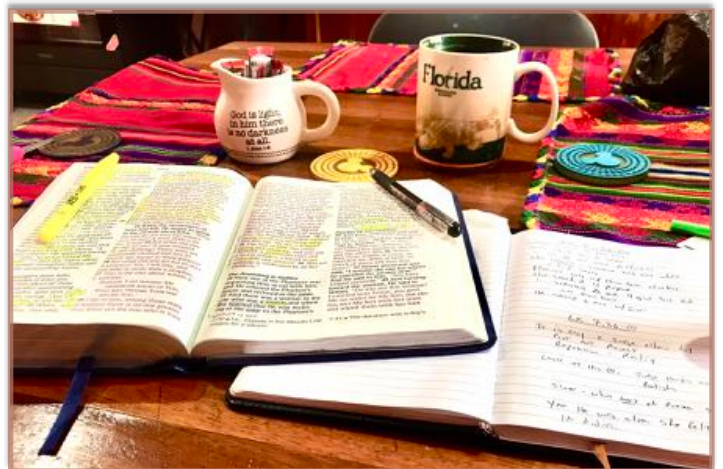

to receive it. Your prayers have been a constant source of strength and encouragement for us, reminding us that we am not alone in this journey.

I am humbled by your sacrificial giving and the sacrifices you have made to support us. You have given out of your abundance and have shown me what it truly means to be selfless. You have made it possible for us to be the hands and feet of Jesus, reaching out to those who are hurting and in need.
